Professional Services

Your Edmentum partnership includes customer success services to ensure program success, seamlessly integrating the technology to enhance both learning experiences and administrative efficiency. We collaborate with you to assess progress toward goals and strategize to promote adoption of best practices that increase learning outcomes.
Customer Success Services include:

- Implementation strategy and planning
- Integration setup and maintenance
- Coaching and mentoring
- Effective program leadership
- Partnership review and optimization

Through professional learning experiences, teachers and administrators gain comprehensive knowledge of Edmentum's program functionality and application of instructional best practices. **Professional learning services packages are required and configured based on district size and subscription quantity purchased** and are customized to your implementation.

À La Carte Services for Subscriptions	
Edmentum Learning Communities (Unlimited Access)	
Join colleagues from around the country using Edmentum programs to learn and share best practices in another style of professional learning. Topics cover implementation planning and onboarding for administrators, getting started, and program functionality for teachers.	$750.00 per year
Virtual Session (Up to 2 Hours Each)	
Interactive sessions allow participants to join in real time from any location. Edmentum leverages familiar online technology to provide remote engagements with collaborative tools to enhance the participant experience.	$750.00 per session
On-Site Session (Up to 6 Hours)	
Engaging, in-person experiences prepare district and school staff to leverage Edmentum programs, make instructional decisions, maximize the learning experience, and improve student outcomes.	$2,500.00 per session
On-Demand Resources (Unlimited Access)	
Just-in-time opportunities to enhance the use of Edmentum programs. These resources target specific features or practices to improve outcomes. Getting-started guides, videos, and recorded webinars provide additional opportunities for educators to access the information they need when they need it.	No charge

Edmentum's team of experts will work with you to determine Professional Learning Services based on school/district needs and programs purchased. A la carte sessions can be added to your plan based on additional needs. To view more details on Edmentum's Customer Success and Professional Learning Services offerings, please see our catalog at edmentum.com/resources/brochures/professional-services-and-consulting-catalog.

Moving Education Forward.
